ABOUT US

African Cotton Industries Ltd. manufactures, distributes, and markets both proprietary and private-label consumer products within the health and hygiene segments of Kenya's FMCG sector.

With over **65 years of experience** in the Kenyan market, we are committed to delivering products of superior quality and value to our consumers and trade partners.

Our rich heritage is built on a foundation of consistent product excellence, trusted service, and a deep understanding of consumer needs. Through continuous innovation in product design and development, we have established a portfolio of brands that are market leaders across several categories.

Leveraging our excess manufacturing capacity, African Cotton also partners with local businesses to produce private-label products. As a trusted local manufacturer, we offer distinct advantages including reduced lead times, streamlined communication, and lower inventory holding costs compared to importation.

Caring for you,
with a tender touch.

OUR **MISSION**

To provide consumer products of superior quality and value, building trusted brands that touch lives

OUR **VISION**

To be the preferred provider of health and hygiene products across the region

OUR **MOTTO**

Caring for you
with a tender touch
